Your name: Your character's name:

Thanks for joining us, and letting me DM for you. I'd like your help to make our games fun for everyone. I want to know things that might make you uncomfortable (for any reason) so that we can keep that out of the game.

I've given you an X-Card. On one side is an X, on the other is an O.

When something (anything) comes up that makes you uncomfortable, tap or raise your X-Card, and we'll move on. If I need clarification, we can discuss privately. I'll keep this sheet as part of my records, and do my best to exclude uncomfortable content when we play together.

When you find something especially interesting, feel free to tap or raise your X-Card with the O showing. This lets me know you'd like the scene to last longer, or to use that kind of content more.

I know it sounds funny, but this tool will help us play amazing games together.

Take a moment to write down anything you already know makes you uncomfortable in RPGs. I'll keep this sheet, and if anything comes up, we can add to it later.
